Dear Sir,

As soon as I have
leisure - that is - when
our gallery is open - in
May. I propose to finish
a picture for America -
I presume it will be
early enough before the
close of that month.
- sooner. I cannot in
any way promise any
thing - I am glad to
hear the exhibition is
likely to be attractive

and that the effects of
the panic are subsiding
In order to be successful
and to be supported by
Protest Artists generally
— tolerably certain chance
of sale is necessary.

believe me
very faithfully yours,
George F. Riff

W. M. Rossetti Esq.

Geo. Fripp, water-colour Landscapist.
