My dear Mrs Coronic

Your kind letter has followed me. I have fled hither for the purpose of shooting nothing - not even the moon - but have merely myself been shot here as Tubbisk quite used up.

I am sorry that all I can do from this distance is to say how glad I am to know that Luke

is going to be happy,
and how often I
hope to see him so.

I trust you will all
get a pleasant
holiday soon, and
with love to all

Am yours very sincerely
D. Repetti

P.S. The last news
I have from Ems
is very favorable.
That is just a week
ago.*

* That is Jane & Wm. Morris - the
former was taking the cure there.
