Dear Mrs Corwin

Thanks for your note.
I will duly write to
your brother on the
subject in question
& look up drawings.
Whenever you call
here again I can
show you the photo:
of B. Stiallis Spring
which is all I know
of it. I dont know
if you noticed the
very dim inscription

of the lady's name in
front of the Botticelli
portrait at Constantine's.
It runs "Smeralda
di Bandinelli
moglie di Ban-
-dinelli." The Chris-
-tian names of father
& husband are
illegible.

Yours sincerely
D. J. Repetti
