Dear Uncle Antonio

I find I cannot get
at present to the
picture of La Pia,
so should be
keeping your cuboid
frame to no purpose,
and had better
send it back with
thanks now & borrow
it again if necessary.
The photograph I

Send with it is
hardly worth sending,
but as it has
just been taken
& happens to
be lying on the
table, it suggests
itself to me to

by your acceptance
of one

Very truly yours
