Dear Mrs Coroni

I asked you lately
whether you had or
knew of any Indian
muslin of a peculiar
yellowish tint & you
said no. I have since
had to adopt a ~~light~~
whiter kind for the
purpose, & this is not
of rare I believe, but
I cannot meet with
any just now at the
shops. Do you know of
any to be had by any
Chance? It is for a
dress which I may mention
