Removed to

The Queens' Gates.

3rd March 1852. W

Dear Sir:

I am pleased that things
have assumed a more favorable
aspect in America & that in Phila-
delphia there should be a purchaser
for one of my works.

I have another picture - The
Flight of Jayne Helen from Northby Hall.
It shall be sent together with another
of Paul & Mary in prison at Philippi.

Yours very truly

Edmund Burke

W. M. Rossetti Esq.

25.
I have sold my house at Rutland late &
bought another.

Whether Mr. Norton's suggestion
relative to pictures being shown
& remain over till the next
season's Exhib. at New York
is good - & any more work of
mine I should certainly leave
in his hands to deal with accor-
ding to that wh. in his judgment
seemed most suitable in every way.
