The Queens' Gates.

3rd March 1852. W

Dear Sir:

I am pleased that things
have assumed a more favourable
aspect in America & that in Phila-
delphia there should be a purchaser
for one of my works.

I have another picture - The
Flight of Jayne Helen from Northey Hall.
It shall be sent together with another
of Paul & Mary in prison at Philippi.

Yours very truly

Edmund Byrne
