

I continue to hear from
The Liverpool people
who want a photo.
They will hardly push
me to this expense
if not serious about
it.

Ellis has sent me
a specimen page
to my satisfaction.
No proof as yet.
I want badly to
do Joan of Arc
for the book, but
it is almost too

21
hurraged in mind to
attempt it at this
last moment. I shall
alter hardly a word through
the volume.

Yours affec:
J.R.
