My dear Watts

I have been  
hoping to get a line  
from you as to  
Thursday or Sunday  
Saturday and to be  
for me, but the  
other wd do. I hope  
to see you, & trust  
you are not knocked  
up. I have brought  
forth another sketch  
completing True Woman  
as a trio.  
Yours affly: DSR
