My dear Watts  
I've got in business  
(I'm sorry) to direct  
Your drawing is  
finished, & I have  
written a striking critique  
on the Vampire. It is  
not long but sure  
to annoy!

The frames are come  
for Fry's drawings  
& I expect to be  
writing him.

Yours affec:

J.R.
