1864 Rossetti

Wednesday.

Some to counterbalance
the advantage of his
price which I might
procure I to keep them
longer by me or horrible
myself to offer them
to ~~my~~ our friends.

I expect to hear 2 or
3 drawings ready
next week. Should
I infer from your
postscript that you are
still willing to enter
on our proposed agree-
ment? If so, will you
kindly let me know at
once? -

P.S. One

Ever truly yours
D G Rossetti
