

I find  
Saturday <sup>morning</sup>  
and Smith <sup>Thursday</sup>  
better <sup>Friday</sup>  
if you also.

My dear Shields

I'm afraid they  
seem to militate  
against your coming  
here, but shall  
hope to see you  
~~Friday~~ Saturday. It would be  
a pity not to get on  
with the work. I  
trust you may be  
able to tell me that  
Mrs Shields is somewhat  
better.

Bests loved in the

evening. He hears  
nothing from  
Buntorn, but has  
sold his Blake  
pictures to Macmillan

Yours affec:  
J. J.
