

I was glad to find him
designed & like himself
again, though he conceived
painfully on the dreadful
subject. His wife is with
him in London as you
probably know.

Old Brown is doing a W.C.
for him (Don I mean found
on the beach by Haydee)
which will I think be almost
the finest of his works &
certainly by far the most
full of beauty. Indeed to
my mind all 8 figures are
eminently beautiful in
face & figure, & the background
of rocks & sea is most
fascinating.

Mr Jones is doing a crowd
of splendid works though
he has sent no sketches to
the gathering this time. He
was one of the hangers.

Affectionately yours
