

Tuesday

My dear Shields

I will hope to see
you on Tuesday, trusting
that Mrs Shields is
better.

Oh Leonard's frame!
I dropped really too
hard on him, but
he took it well. Still
he sticks to the
helped atrocity,
but will have ~~more~~

all I insist on
done to it. The
picture looks like
a little dirty duster
in it.

Yours affly:
JGR

I have not got the
draperies.
