

Thursday night

My dear Shields

I much wanted to  
call on you the other  
evening on the back<sup>part</sup>  
of 2<sup>d</sup> Stia, but could  
not talk it with Sed  
there. Thus I trust  
not to miss seeing you  
tomorrow (Friday) evening,  
& if you like to come  
earlier to point, all  
will be well.

Yours affec:
