My dear Child's

Tomorrow (Tuesday) I will
visit me, & I advise
you to go in for a day's
work here after your success
last time. I shall be
very glad to see the Black
notes, & have a rich
treat for you in the way
of cheap woodcuts - I
11 vols. Thrillingly
embellished by Samr
Williams, the earliest of
high-speed engravers - Dramaticists.
