

Tuesday

My dear Sir

Many thanks for
your masterly
& unricalled

Blake, in which
I am revelling.

Don't forget
Saturday - dinner

here at 7. I
have asked a
few more fellows
and hope not
to miss you.

I have told
Hester to put

down my name
for a series
of H. & H. which

I rejoice to see
is to appear in
facsimile.

Yours affec:

D Gabriel R

D. L. Morgan
