

A. G. Purcell 2500

publishing one (if
my eyes held out
but the moment
one was published
I shd go on to some
other sort of work &
never do a second.
Therefore a vol: on
nothing wd be the
plan for me. In
any case I fear
it wd be a labor
of love mainly, what
pictures are a labor,

of love to a pretty
good certainty.
I thank you glad to
see you again &
am much interested
- very much - in
the Fuseli fascination.
I only trust that
it will not be
ill health of young
that ~~keeps~~ goes on
keeping you away.
Ever yours
J. R. R. R.
