Dear Mr Turner

On further thinking over the
bearings of the case as
to the Exhibition, and
more especially as to the
public object in view,
(One of the greatest
importance & all inter-
-ested in Art) I
feel that, while they
are making every effort
in their power to aid
it, I have no right
to withhold any small
~~superfluous~~ ~~discrete~~ help which
~~I am told may be to~~
~~my power~~ I
privilege of help which
I am told may depend
on ~~my~~ decision of mine.
