

24 Nov 1863

Dear Mrs. Blackmore,
Did you receive the
picture safely, and
in time before Mr.
Blackmore left? It
left me on Thursday
afternoon, and ought
to have been sent
on immediately. Pardon
my troubling you, as
I dare say it is all
right but I feel some
anxiety lest there should

have been any
hitch in its journey
to you -

I hope W. Blackman
left you with all
good auspices, and
remains,

Dear Mr Blackman
Yours very truly

J. R. Pettit

Mrs Blackman

P.S. The original drawing
was, I hope, enclosed
in the same case -
