

Friday

My dear Hayden
Monday will do -
at 5 to 6. No
doubt the Ladies
will come if they
can, though after
not seeing R. D.
for so many years,
we might have
fallen better &
ourselves. Perhaps

You had better
not look in
on Sunday
as I expect
one whom you
consider not
the best of
Company. Other-
wise I'd be
pleas'd
happy to see you.

Miss W.

William Shields is
likely to be back
tomorrow.

Yours ever
WGR
