Dear Sir

Some delay occurred
in the delivery of your
note to me owing to
my having moved lately.

~~I shall be~~ This must
be my excuse for not
replying to it sooner.

I shall be very happy
to contribute a picture
to the Boston Exhibition

and will take care
that it is electric
at-press in or before
the 12th inst -
I could let you have
another picture painted
some time ago if you
should think it desirable
It is just possible you
may recollect it - at
the Portland falling
some 3 or 4 years ago
It represents Hamlet, Horatio

& Eric - "Jum honnet &
his right now de"
I am doubtful whether
it would be advisable
to send this work
but if ~~as for~~ there is
such a lack of material
perhaps it would ~~be~~ as
well to fill up a place
in the Exhibition as to
hang on my own ~~wall~~ wall.
A letter shall be left
at-press addressed to
you containing the description
& price of the picture or

Pictures

Thanking you for your
communication I remain

Dear Sir

Faithfully yours
