

18  
Tuesday

My dear Hayden

I should not of course  
wish the plate to be  
getting about. It is  
impossible for me to  
be spending money to  
any serious extent  
but if you like to  
bring me an impression  
today before 6, I wd  
like to see it. Otherwise  
tomorrow at 2.

Yrs ever  
DGR
