

Friday

My dear Hayden

I should prefer  
talking the matter  
over if you can  
look around. I

don't know how  
soon it is necessary  
for you to move  
in it. But this  
afternoon ~~at~~  
I would visit me

not very late (as  
much if you like)  
or else Sunday  
to dinner.

Can you  
H.A.
