My dear Hayden

I don't say you know
that the chalk drawing
is on Christies' walls
now - No 24 in a
collection to be sold
next Monday. I
will go for £40 for
it.

Very yours
EJR
to have turned over

It should not be less
to go lower than
£30 in any case
- so up to that

~~Sum~~ to Sum, perhaps
you had better get
some one to bid
against you up to
that if bids do not
otherwise exist, and buy at £35, but I will go £40 if needed.
