

about my sewing,  
It is whether you could  
dine with me one day  
this week. I hope  
the evil is now  
mending. Perhaps  
you over-estimated  
yourself at the  
desire.

Davies was with me  
a few weeks ago  
for a farewell visit  
as he is off again  
to Italy for the winter  
Ever yours
