My dear Sir!

Mr. Green took my pictures
early last Tuesday morning - all four
of which were executed expressly for
the New York Exhibition - as I had
nothing unsold - and did not like to
borrow - Those sent by Mr. Gambart
are of very small dimensions - and in
oil - ~~Some~~ Now I have not used any
in water - - Hoping I have not caused

any unnecessary trouble I am

My dear Sir

Yours for the Queen
I have

Wm. M. Russell Esq

George Lance, the late admiral Still-life Painter
