

Mr Japsell - Pastrycook
Station Road (which
is a sort of village High St.).

One only, but really large
room, seeming thoroughly furnished
as bed & sitting room in one.

25/- per week.

Gas 1/6 0.

Boots ?

Washing linen either a small
charge, or perhaps for
fortnight gratis.

A square landing outside the
room door, large enough for a
small table & chair, would do to
write a letter or what not if the
real room were occupied at the moment.
