

5 Station Road
Birlington on sea.
Oct. 24.

Dear Mr. Shields

At last I enjoy the pleasure
of telling you that we have seen
the beautiful worth-waiting-for
window, and that it exceeds
my Mother's hope. This she
tells you as her own message,
with our warm remembrances
to your wife and you. I wish
you also could have beheld it
on this bright morning inviting
us all to piety and devotion.
