

30 Torrington Sq. W.C.
Friday evening.

Dear Mr. Shields

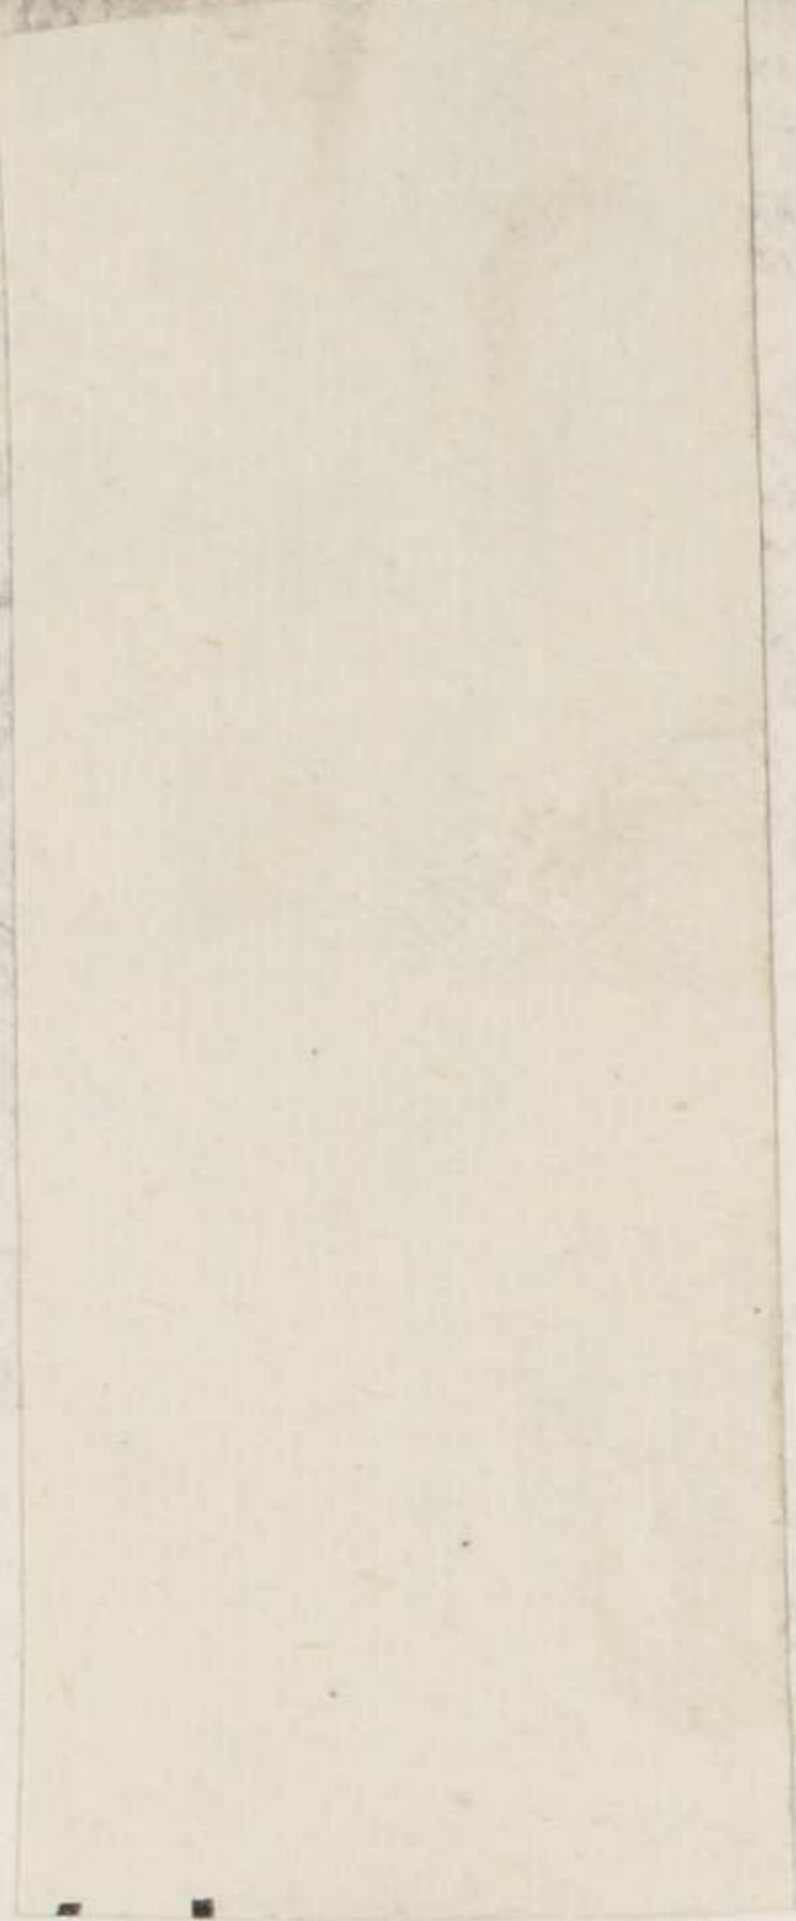

Thank you again and again.
No one perhaps can estimate
what poor Gabriel has been
going thro'; but you I ~~know~~ believe
by trying experience know
something of similar suffering.
Next week we hope that visits
may safely be resumed to his
bedside: neither my Mother
nor I have seen him since

Sunday, and even then I
went by myself.

My Mother, I joining her,
returns to you and yours all
the good will you lavish on
us.

Gratefully yours
Christina G. Popetti.
