Mr. O. W. Maloney
Maloney Tank Company
Tulsa, Oklahoma

Dear Pat:

I forgot to send you the enclosed copy of a letter from Ernie Kahler which arrived several days ago. It should help to whet your appetite.

Today we got a report that South Dakota had a heavy freeze on Monday of this week which means that the cover situation has been greatly improved.

If everything works out we should be on our way to Woonsocket two weeks from today.

Love to all,

Enc.
