

WICHITA, KANSAS

October 1 1944

Dear Dolph:

Am happy to learn you and Pat can make the hunting trip - arriving in Woonsocket on the 27th of this month. Talked with Clyde Speer about it and it doesn't look as tho he will be able to make it - but in the event he can - he will get in touch with you. Have written Ernie Kahler that you and Pat will be there.

Best wishes always

Sincerely,

Bill
