Dear Herb:

Thanks for your letter and we are glad to know you want to have the Journal-World mailed to you. The subscription was started yesterday and first copies may have reached you by the time this letter arrives.

Won't you be good enough to send me a line or two about your official station and what you are doing, so we can have an item in our armed forces column. Many of your friends would like to know where you are and what you are doing.

It makes me feel good to have you speak of Lawrence as "home" and that it still looks better to you than any other place you have seen.

Let's hope it won't be too long until you will be back wearing civilian clothes.

With best wishes, I am

Sincerely,
