Mr. Dolph Simons  
Care of The World Company  
Lawrence, Kansas

Dear Mr. Simons:

As it is our policy not to give manufacturers' names, we cannot do as you have requested in your letter concerning the two salad bowls which you desire to order direct. However, when this size bowl is again being manufactured, we will be glad to fill your order.

Be assured that we are glad to be of service to you at any time, and we look forward to hearing from you in the near future.

Cordially yours

*A. C. Hedke*
