

Have a good time in New York. I know that you will.

Thanks for sending the briefcase. It came Wednesday, and Bue was glad to get it. He had to have it for income reports.

I'm sorry the folks had an unpleasant train ride. We wanted them to take the Eagle Monday morning, but Dad thought he had to get back before then. We surely enjoyed their visit.

I wish you all would come up to visit us sometime. I guess we live too near Auburn.

Love,
Dorothea
