Mr. C. E. Powell
Missouri Pacific Station
Leavenworth, Kansas

Dear Mr. Powell:

Thanks a lot for your help Sunday evening in relaying the message to Mrs. Simons. Because of your courtesy, everything worked out satisfactorily. Without your help, we would have had a lot of confusion and delay.

Such acts of kindness cannot be repayed in money, but please accept the enclosure as a token of appreciation.

With best wishes, I am

Sincerely,

Dolph Simons
