canteen which was all very
interesting.

Katherine has been sending
me your "Dear Buddy" letters and
I enjoy them very much. They
give me a good idea of what's
going on in the "old Valley Town"
also a brief summary of news events
which are rather difficult to
get at times in my position. Keep
up the good work.

My candle is burning low so
will close for tonight and
"crawl in" the old sleeping bag.
Tell Jessie, Dorothy and Mrs.
Moody hello.

your friend
Roger L.

P.S. The enclosed clipping is
from our division paper and
is the menu that we had this
noon. It was very good.
