Gentlemen:

Mrs. Dolph Simons last week returned the following items for credit:

Man's bathrobe-----	\$25.00
Lady's sweater-----	12.95
Boy's sweater-----	<u>1.95</u>
TOTAL	\$39.90

These items were returned because they were wrong sizes and you did not have other sizes available.

Mrs. Simons did not receive any credit memorandum and since the account has been paid, I will be appreciative if you will notify me the amount has been fully credited to her account.

Yours very truly,

Dolph Simons
