Consumption is decay. Soothing, expector-Covering Steam Pipes, Boilers giving treatment. Think a moment. The lungs forming. The circulation carries this polson all over the body. Wasting, loss of appetite symptoms, appear. Is it worth while to doctor the symptoms, which are merely the results, while the decay, which is the cause, is exting up the life springs ? Office, No.320 Chestnut Street, These two things are well known by the best 1. Carbolic acid positively arrests decay. It is the most powerful antiseptic in the known world. Even dead bodies are preserved by it. Entering into the circulation, it at once grap-ples with corruption, and decay ceases. It purifles the sources of disease. 2. Cod liver oil is nature's best assistant in resisting consumption. It is at once a food, a tonic, a purifier, and a healer. It braces up and supplies the vital forces, feeds the wasted system, and enables nature to regain her foot-

hold. For these purposes, nothing can com-pare with cod liver oil. This is the theory of
