

REV. LUTHER PARKER RUSSELL

BERKELEY, CALIFORNIA

1791 Oxford St.

June 22/31

Dear Mr Simons & family:-

We surely appreciated
your kind letter of sympathy
and were so glad to hear
about the children & grand-
children.

I am inclosing a little
rhyme I wrote last summer
while we were on our vacation.

It will be five weeks tomorrow
since Mr R. was taken. He had
been feeling as now out and
tired for months but I could
not persuade him to see
a physician.
