Mr H. C. Simons.  
Lawrence Kans.

Dear Mr Simons:

There is much talk and gossip about a Republican getting together in Kans for 1932. In discussing the matter with a few fellows a day or two ago as to a Candidate for Gov. I mentioned your name and it was well received. Would you care to have your name discussed as a compromise candidate. I think you are an outstanding person for the present condition with in the Republican party

Confidentially and Sincerely yours  
J. N. Dolley
