

December 29, 1931

Mr. George Docking
First National Bank
Lawrence, Kansas

Dear George:

I received your Merry Christmas, and good wishes, and feel with you, that the spirit of Christmas can be carried through the year, when one gives conscientious service.

You are fortunate in being connected with a bank that has had a long and honorable existence, and we hope that the year to come will be both pleasant and prosperous.

Sincerely yours,

WCS:IML
