Mr. John Redmond, Pres.
Kansas Press Association
Burlington, Kansas

Dear John:

I have just written a letter to W. A. Bailey, concerning our committee work, and send a carbon copy herewith, as it will explain why I cannot accept your invitation to speak before the association at Wichita.

I think you appreciate the fact that I would do almost anything within my power, that you asked me to do.

With very best wishes to you and Mrs. Redmond, I remain

Sincerely yours,
