

The Kansas Electric Power Company

GENERAL OFFICE
LAWRENCE, KANSAS

February 16, 1933

Mr. W. C. Simons,
c/o Lawrence Daily Journal-World,
Lawrence, Kansas

Dear Mr. Simons:

Sutton
Referring to your letter of the 15th. The septic tank is located on Lot 119 at the corner of Massachusetts and Indian Ave. and is one of the lots owned by this company. I am informed that this septic tank was placed there a number of years ago by Mr. Sutherland and that when the City of Lawrence constructed their booster station last year near these lots, that they disconnected this septic tank and that it stands there idle.

I trust this is the information which you desire.

Yours very truly,

W. Amidon

CWAmidon/AB
