Mrs. L. A. McNalley
Minneapolis, Kansas

Dear Janet:

I know you have been having a pleasant time with Eileen, and that probably she has pitched in to help Mary Beth with the dishes or in other ways as she is an energetic little tyke who is usually busy. We think a lot of her.

We had a very happy Thanksgiving at our home but missed you and your family. We had a letter from you, I think, yesterday.

Bus went back to Dawson yesterday, taking with him Marie, Dolph, Jr., and John; and Dolph, Sr., is probably on his way now in order to be there for dinner tonight with the Nordlunds and Mrs. Nelson.

Dorothea is well and looks well, and is very painstaking in carrying out the advice of her physician. It won't be long now. We are having lots of fun with Lance.

We enjoyed our visit with you and the family.

Love to all

Your father
