

WE SHOW THIS GUSHER FOUND AT OKLA. CITY. JUST TO SHOW WHAT WE EXPECT TO HAPPEN IN OUR DEEP WELL. REMEMBER, EVERY GREAT OIL FIELD EVER DISCOVERED STATED FROM A WELL SUCH AS WE ARE STRIVING SO HARD TO COMPLETE IN THE VERY NEAR FUTURE.

DEEP WELL ON PINO MESA DOME NOW OVER 4200 FEET DEEP, AND DRILLING DEEPER TOWARD THE BIG OIL PAY WE HOPE TO FIND ANY TIME, PROVIDING WE CAN CONTINUE DRILLING.

PINO SPRING.

FROM THIS SPRING WE PUMP WATER THROUGH A TWO INCH PIPE LINE FOUR MILES LONG TO OUR DEEP WELL. WATER FOR DRILLING AND THE STEAM BOILER.

OIL SATURATION.

SAND STONE SATURATED WITH OIL, EVIDENCE THAT OIL EXISTS IN THIS VICINITY. WE THINK IT IS IN THE PINO MESA DOME. HELP FIND IT.
