Etoile B. Simons. ~ Atwal.

We learned of your letter from Mr. Holmes. Fine.
Mrs. Jack said it was colder to-day than yesterday. Our windows
suggest that the birds have left. The trees may be unsafe perches
for them. I think the wind might blow birds off, if they attempted
to use them. The white caps are numerous in our bay to-day.

Cora expressed her appreciation of Ralph for accompanying her
to and from the Pops.

French proverb "Be ^{from lecture} careful what you set your heart upon,
for you will surely get it."

"Keep thy heart with all diligence; for out of it are the issues
of life" Prov. 4:23.

Ralph, Marie and boys have
given us pleasure, but after
looking after matters in Ottawa
to-day will return for the
last night this summer at
Stull Lake. God bless them and
you. Many weeks were out to-day.
Mrs. Jack says some cows eat them
but not all. If Mr. Peterson
wishes them - Good Luck & mine.
Love. Etoile
