Mr. T. W. Hanicke
1013 McGee Street
Kansas City, Missouri

Dear Mr. Hanicke:

In the package to which this letter is attached you will find a pair of Mrs. W. C. Simons' shoes. We are anxious to have lower and wider heels placed on these shoes to lessen the danger of another misstep when Mrs. Simons is able to be up and about again.

Kindly confer with Dr. Francisco in selecting the type heel most suitable.

Respectfully yours,

GCM:GH
