Mr. John Schrader
901 Mass. St.
Lawrence, Kansas

My dear Schrader:

Although I mentioned to you personally my appreciation of the pink roses which you sent me on my 50th anniversary, I want to put it in writing. They were so pretty and I appreciated them greatly.

I was mighty nice of you to remember me, and I trust that you will complete fifty years of active and valuable service in Lawrence.

Cordially yours,
