Mr. W. C. Simons,

Lawrence, Kan.

Dear Mr. Simons,

Let me congratulate you
on the fine supplement
published with the regular
issue of the Journal-World
for August-20th describing
the educational institutions
of Lawrence.

My daughter Harriet, who
taught three years in the
Lawrence schools, before
going to Chicago for her
Nurses' Training Course in
Wesley Mem. Hospital, has
found this number of the
Jour. World intensely inter-
esting. Several of her own
pupils are now in the list
of teachers in Lawrence.
